# Now let the Network help you!

## PARENT-TO-PARENT NETWORK: DISCOVER NEW & IMPROVED BENEFITS

Have you ever needed a break, but could not find a temporary caregiver? Would you like to be first in line to receive free sporting event passes, movie passes, and give-a-ways?

The Coalition's Parent-to-Parent Network is a temporary relief system for caregivers and families who are caring for foster and adopted children. The Network is also a group of families who receive first priority on special gifts and events!

The Network is not part of the State of Missouri's paid respite care program. Participants must be licensed foster or adoptive parents, and have a current background check.

Once you are approved you will have access to an **online network registry** included on our website! You will be able to use your **personalized id** and **password** to view the provider database. The database will be updated periodically as more parents are added to the registry!
