GRATITUDE EDITION

2020 Gratitude Edition

Letter from the Board President

Two years ago we created the Gratitude Edition to recognize the multitude of volunteers, caregivers, professionals, donors, and advocates who come together every year to change the world for kids in foster care. We realized it would take a full issue of our newsletter to honor all that you give to our kids and families. To our great pleasure and pride, this issue continues to grow a little every year.

But, as I'm sure you're tired of hearing, 2020 was not a typical year. So many of the thousand and one things you do were simply not possible. From our in-person events to our Back-to-School Bonanza, from Foster Friends hosting Parents' Day Out to the team who has turned ReFresh into the best resale store in the city, there is so much that we've missed this year. We know you've missed it, too.

Though we missed seeing you all in the office and in the community, we did not miss your impact. We did not miss your enormous hearts. At each moment during the last 12 months, you have reached out to offer your unique gifts. Your concern and passion for our mission has been inspirational and touching for this team. To everyone who pitched in to make sure our families were fed, clothed, and supported, we owe you a debt of gratitude we cannot possibly repay. To all of you who have continued to invest in our work to find

families for the most vulnerable kids in care, we hope you know that the world is a different place for hundreds of St. Louis children.

So while this Gratitude Edition may be a little different than in years past, the emotion behind it is just as strong. However you were able to be an ambassador for our mission this year, it was enough. We appreciate you, and we are proud to count you as a partner.

We are excited for 2021. We cannot wait to see you all in person again, and thanks to your hard work and investment, we are ready to start the new year at a pace we think will make you proud.

Thank you for being a part of our Coalition family, and thank you for caring about our kids.

Joe Bergan
President, Board of Directors

We sincerely apologize if we have inadvertently omitted anyone from the lists in this newsletter. Please let us know how to make it right.

Volunteer Spotlight: Dr. Wilmetta Toliver-Diallo

The extraordinary Dr. Wilmetta Toliver-Diallo has been volunteering with the Foster & Adoptive Care Coalition for 12 years. She is a regular presence in our office during December, where she dedicates several days of volunteer time to make sure all of the children receive gifts during the holidays. Shelley Thomas-Benke, Director of FosterServe Volunteers, shared, “Wilmetta is the perfect holiday wishes volunteer: she’s detail-oriented, she’s fast, and she’s always

willing to help out with whatever project I hand to her.” After a few years helping with holiday Little Wishes, Wilmetta reached out to ask if she could help the Coalition in other capacities. Since then, she has volunteered at our fundraising events, been a Birthday Buddy, helped with office projects, brought numerous groups to help at our ReFresh resale boutique, volunteered with Cinderella Project, and spearheaded efforts to collect toiletries, backpacks and school supplies. Wilmetta has also introduced many youth groups to our agency. In 2016, Wilmetta became a member of our Board of Directors where she continues to make a strong contribution to our agency. Thank you Wilmetta for all you do!

The Cinderella Project

The most important part of our Cinderella Project is the supportive and affirming experience that our volunteers offer to the VIPs (Very Important Prom-goers) who receive free prom dresses and accessories. They make sure every “princess” is showered with compliments and feels beautiful by the time she leaves. We’re very thankful the girls got to have the Cinderella experience before proms were canceled due to COVID-19. Thank you to the hundreds of volunteers who made the Cinderella Project a success!

ReFresh Volunteers Helped Boutique Pivot to Assist Families During the Pandemic

The social distancing guidelines resulting from the COVID-19 pandemic had a huge negative impact in much of the retail world, and our ReFresh store was no exception. ReFresh and Resource have been temporarily closed since March 16, as it would be impossible to ensure social distancing in our small space. In light of this challenge, the ReFresh staff quickly changed gears to supporting our foster, adoptive, and guardianship families throughout this difficult year.

“Our roles changed drastically since the stores were closed, but we

never stopped serving families! I loved that we got to work directly with families we serve and were able to help them in a greater capacity than before,” shared Vicki Erwin, ReFresh Manager.

Michelle Rice, ReFresh Digital Media Manager, led the efforts helping families in need of summer and back-to-school clothing for kids. ReFresh held 33 successful clothing donation drop-offs in 2020, which allowed us to distribute 11,289 clothing items directly to kids in foster care.

(continued on page 4)

Refresh volunteers Leah & Hannah Stroup

In Michelle’s words, “This past year provided us [ReFresh Staff] with a unique opportunity to get back to the true purpose of ReFresh: focusing on assisting kids in foster care with their clothing needs. I have thoroughly enjoyed being able to work more closely with our families, and getting to better understand their needs. I am also so grateful for all of the ways that we have been able to continue supporting them, even during these challenging times.”

ReFresh missed the hundreds of volunteers and volunteer groups that support their mission every year - especially Tammy Hayes, Volunteer Coordinator at ReFresh, whose role also drastically changed in 2020 as a result of the pandemic. Tammy shared: “I partnered with Shelley Thomas-Benke, Director of FosterServe

Volunteers, on diverse projects such as delivering birthday gifts to children in foster care, going to various food pantries to gather food, delivering food to families in need or suffering from COVID-19, answering phones on Fostering Hope Day, and assisting with Holiday Wishes and Motion For Kids. However, what I enjoyed the most was the opportunity to serve numerous families in the completion of their PEPT (Pandemic Electronic Balance Transfer) application. Without the assistance of the Foster and Adoptive Care Coalition, many families would not been able to take advantage of the funds available to them. Many families did not have a computer, were not computer savvy, or had not heard of PEPT. It felt good to serve these families.”

Thanks you to the wonderful volunteers who supported us from March through December to create and run the Prom Dress Pick-Up, the Coats, Costumes & Candy events, the clothing donation drop-offs, face masks and clothing distribution, and in many other ways.

Junior Board Spotlight: Kaitlin Hrenak

The Coalition’s Junior Board brings together a diverse group of St. Louis professionals who lend their time, fresh ideas, and talent to the Coalition’s important work. In a time of great uncertainty for many of our children and families, the Junior Board has stepped up.

Kaitlin, an Account Executive at Cornerstone Insurance Group, has been a member of the Junior Board since 2019. This year, Kaitlin organized a clothing drive for our families in need. Throughout her time on the Junior Board, Kaitlin has been a proud advocate for the Coalition in her community, and she has generously connected the Coalition with funding opportunities through her network.

We asked Kaitlin what first drew her to the Coalition, and she replied, “One year at Christmas time, I stumbled upon Little Wishes online. It was at that moment that I realized, based on the number of Little Wishes, how many children in the St. Louis area were in the foster care system. I never imagined the number would be that high. I wanted to help them in any way I could. Whether that be collecting clothing donations, participating at events as a volunteer, or advocating for the Coalition. Knowing that no matter how small or whatever type of a donation you make (time, financial, or material) the kids and the Coalition truly appreciate it.”

We are grateful for Kaitlin’s ongoing dedication to our children!

Celebrating 20 Years with 5 On Your Side and “A Place to Call Home”

It was a sibling group of nine. The youngest was three-years-old, and the oldest was 14-years-old. Who would adopt nine kids? The case manager insisted we give it a shot, and she said, “You don’t know if you can find them a home unless you try. Their *A Place to Call Home* segment was filmed at a park. They were such happy children! If you saw them together, you could not miss the special sibling bond. Right then, we were really hoping to find a family to keep them together, and we did! A lovely family committed to providing a permanent home for all nine children came forward.”

After the world was shaken by the horrific events on 9/11, it really made people try to find ways to make the world a better place. At the time, 5 on Your Side President and General Manager Lynn Beall, and Marketing Director Jeff Winget, worked alongside their team including Community Relations Project Manager, Michelle Shockley, to find a way to move the needle to make a difference in this world. After brainstorming countless ways to do this, the team kept coming back to finding forever families for kids. 5 on Your Side reached out to the Foster & Adoptive Care Coalition, at the time a three-to-four staff member agency, and agreed to partner on a project, which Mr. Winget named A Place to Call Home.

Today, 5 on Your Side continues to make a tremendous impact to find permanent homes

for the hardest to place children in foster care through A Place to Call Home. “It’s our privilege to be able to shine a spotlight on children who need a place to call home,” said President and General Manager Alicia Elsner. “A warm home and family are things that can easily be taken for granted. As a local broadcaster, it’s our duty to drive transformative change in our community, and ‘A Place to Call Home’ has done just that for so many years.”

We couldn’t agree more!

Finding one child a forever home. This was the barometer of success the founders of A Place to Call Home set at the program’s conception. This goal might not seem

“During the interviews, I’m always touched by how much these kids just want to belong to a family. Hearing that a kiddo has been placed because someone saw them on A Place to Call Home makes me feel like I am part of the Coalition’s team and that we are making a difference in the world.” – Joe Eickmeier, Photojournalist at 5 on Your Side

ambitious to many, but in reality, the generational impact of a forever home is immeasurable. Exceeding all of our expectations, in 20 years, A Place to Call Home has helped find permanent homes for 464 children - beyond what anyone could have ever imagined!

A Place to Call Home started with the vision of finding permanent homes for the hardest to place children in foster care, such as sibling groups and older youth. A Place to Call Home also aims to raise awareness about the world of foster care and adoption, decreasing the stigma often associated with kids in care, and highlighting that the kids’ circumstances and trauma are not their fault.

Each segment aired by 5 On Your Side successfully shines the spotlight on very special kids. In turn, the children receive an overwhelming response from the community, inquiring about ways to support them. Soon after A Place to Call Home began to air, it became evident that not everyone interested in helping could provide a home for kids. As a response, the Little Wishes program was created to provide kids with an experience they could carry with them forever. Thanks to 5 on Your Side, 79,240 wishes have been granted since our partnership began.

Over 20 years, we’ve seen a lot of successes, but not without challenges. A Place to Call Home has taught us that “success” looks very

5 on Your Side has connected the Coalition with over 170 community organizations including the Saint Louis Zoo, Skyzone, and the Saint Louis Science Center. These landmarks have generously opened their doors to kids in foster care, and their experiences during the filming of A Place to Call Home have created lasting positive memories.

different for each child. While our desired outcome does not happen for every child, it is imperative that we continue to inspire supportive communities where kids impacted by foster care can succeed. There are many avenues through which people can support kids in foster care. One caring adult can drastically change the course of a child's life.

For the staff who work with A Place to Call Home, getting out in the field to meet the kids is the best part of their day. Summer Renne, the Coalition's Director of Families United & A Place to Call Home, shared her experience with A Place to Call Home over the past 4 years:

Coalition: What is your favorite part about working with A Place to Call Home?

SR: I love that this program gives children the opportunity to shine beyond a written profile. By letting kids decide where we film,

you see them get excited about their experience. We've had kids who are experiencing their first time at the Zoo, the Arch, or a trampoline park, and that brings them to life. The smiles and laughs are priceless. Being able to capture that on film helps potential adoptive families see the hearts of our waiting children.

I also love that A Place to Call Home is driven by a caring network and a team of unseen heroes behind the lens. Our cameraman Joe is the heart of our program. His natural charisma and propensity for fun brings out the best in our kids. Anxiety and nerves immediately melt away when Joe tells a self-deprecating joke or does a backflip on a trampoline. I've never met a kid that doesn't smile around Joe.

Coalition: Would you share a story that "stuck with you"?

SR: One of my favorite features was of a 13-year-old boy. Caleb has Duchenne Muscular Dystrophy and requires a wheelchair. He told us that the only place he felt free was in the water, so we made arrangements for Caleb to go swimming for his episode of A Place to Call Home. Our cameraman Joe got in the water with Caleb so he could play, and showed him how to use a GoPro to show off his swimming skills underwater. I don't think Caleb stopped smiling for the entire filming! Soon, Caleb was adopted after his family saw his feature

on A Place to Call Home.

Coalition: How would you summarize A Place to Call Home's impact in the lives of the kids they feature?

SR: A Place to Call Home shines a light on adoption and foster care in Missouri and gives our kids the opportunity to be seen and heard for who they are. It provides a voice for children to represent themselves, tell the community what they're looking for in a family, and display their talents and personalities. It has had a profound impact on the way adoptive families connect to these kids. I can't tell you how many times someone has said they felt an instant connection by just watching their story and felt the stir to call and learn more. That has led to adoption for 464 of our children.

In 2020, Vantage Credit Union became the sponsor of A Place to Call Home, joining the efforts of finding forever families for kids. Vantage Credit Union has been a faithful, long-term supporter of the Coalition's Back-to-School Bonanza event, and we are so grateful they continue to find new ways to support our children.

It is our joy to celebrate 20 years of a wonderful partnership that has changed the lives of so many children in the community. Most definitely, 5 on Your Side found a way to move the needle to make a difference in this world.

10 Years, 1,000 Kids: 30 Days to Family®

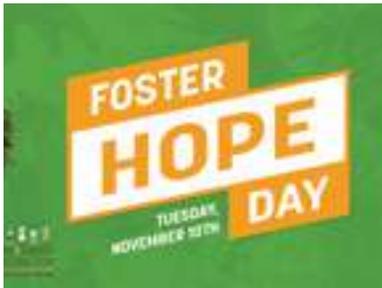

This year we celebrate 10 years of our 30 Days to Family® program in the St. Louis area with a BIG milestone: 1,000 kids served!

30 Days to Family® helps place kids with relatives, significantly reducing their time in the foster care system and creating stable placements by weaving together robust support systems. This short intervention has a long-lasting impact on children's lives: Kids experience a lot less trauma and develop stronger family connections that will last a lifetime.

You've made this possible! Thanks to your support, our 30 Days to Family® program has grown since 2011. We continue to work and advocate for the best outcomes for our kids entering foster care. We can't thank you enough!

Our Supporters and Volunteers Made Foster Hope Day an Inspiring Success

When the COVID-19 pandemic canceled our in-person events, the Coalition's tenacious group of committee members, volunteers, and donors sprung into action to help us create Foster Hope Day - our first fully virtual event. That group, and all of you, helped us blow past our goal of \$200,000. We raised \$292,858 in a single day. We couldn't be more grateful that you made Foster Hope Day such a success. Thank you to our phenomenal committee. The amazing raffles, activities, and celebrity cameos would not have come together without this generous collective of advocates for kids in care. Thank you to our amazing volunteers and staff who helped with sponsorship benefit drop-offs, raffle prize deliveries, and all the other tasks that made this special day run smoothly.

Making the Holidays Brighter

In 2020, we received a record 4,240 holiday Little Wish requests from children, and every wish was granted by December 9th - this is the fastest holiday Little Wishes have been granted in the 20 year life of the program. Your incredible generosity means

thousands of St. Louis children impacted by foster care received the holiday they deserve. In a year when the holidays were more important than ever for our kids, you showed up in a huge way! We can't say thank you enough! Truly, none of this would be possible without you. Thanks to KSDK 5 On Your Side for continuing to champion Little Wishes. We'd like to give a special shout-out to our amazing team of volunteers, without whom, none of this would be possible.

Now & Forever Society Members Commit to Remembering the Coalition in Their Estate Plans

Many of the most committed supporters of our mission decided in the last year to make this work part of their legacies. By remembering the Foster & Adoptive Care Coalition in their wills, charitable trusts, retirement plans, 401ks, or other estate plans, these forward-thinking individuals have ensured the Coalition can continue to innovate in the years to come.

We cannot say thank you enough to the generous donors who have formed our Inaugural Now & Forever Society! As our office receives some much-needed renovations, we are also creating our Hall of Heroes display to commemorate your incredible commitment to our kids. You can see an artist's rendering of the Hall of Heroes here, complete with your names as they will appear. Thank you for sharing our vision.

For more information about how to make the Coalition's work a part of your charitable legacy, contact Kyle Williams, Director of Development, at 314-367-8373, or by email at kylewilliams@foster-adopt.org.

Monthly Donor Spotlight: Kevin Zhou & Diana Zhu

"We first joined the Foster & Adoptive Care Coalition as volunteers wanting to support its mission and make a difference in foster children's lives. As we continued to delve into the world of foster care by getting licensed as foster parents, we were fortunate to receive excellent training and support services through the Jones Program, Educational Advocacy, and Family Works. They have been fierce and loyal advocates on our journey through foster parenthood, truly seeking to listen and understand, providing encouragement and advice with honesty and empathy. We support the Coalition because of all the ways in which they tirelessly support foster and adoptive families like our own. We are grateful for the deeply personal care they provide, as well as their efforts to bring research and data into innovative programs that improve lives!" – Kevin Zhou and Diana Zhu

2020 Fostering Hope Giving Society

The Fostering Hope Society is an esteemed group of our most generous donors who we hold dear for their belief that every child should have a place to call home. We are thankful for their participation with annual gifts totaling \$1,000 or more throughout the year for any and all Coalition endeavors. These include supporting events, Little Wishes, Big Wishes, Birthday Buddies, Give STL Day, Monthly Giving, and more. Together we...

ACHIEVE

**our vision, For Every Child...
A Place to Call Home.**
