COMPANY SINCE 1896

Proudly supporting the Coalition and its tremendous work on behalf of the kiddos of the St. Louis community!”

Patti Sutherlin, President at The Kiesel Company

Dear Friends,

It is my great pleasure to welcome you to Hope in a Handbag.

From the moment I was introduced to the Foster & Adoptive Care Coalition, I felt an immediate and lasting connection—to the mission, to the people, and to the powerful belief that every child deserves stability, dignity, and hope. We are gathered for more than just to attend an event, but to stand together in shared purpose for children and families whose lives are deeply impacted by foster care.

Hope in a Handbag is a celebration of that commitment. This evening brings together generosity, connection, and a little friendly competition—centered around a silent auction of beautiful handbags and accessories, all in support of the Coalition's more than 25 programs. Each bid placed is more than a moment of excitement; it is a meaningful investment in brighter futures and stronger families throughout our region.

To our Hope in a Handbag Committee, thank you for the passion, creativity, and care you pour into making this event extraordinary. To our sponsors and donors, your belief in this work fuels everything we do. And to everyone here tonight—your presence is a powerful statement of compassion and resolve.

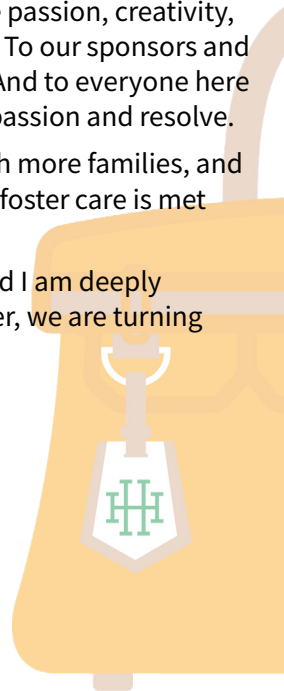

Because of you, the Coalition continues to grow, to reach more families, and to move closer to a future where every child who enters foster care is met with consistent support and unwavering advocacy.

This is an exciting and hopeful moment for our work, and I am deeply grateful to walk this path alongside each of you. Together, we are turning generosity into lasting impact and hope into action.

With heartfelt gratitude,

James "JP" Perry
Board President
